

REMARKS

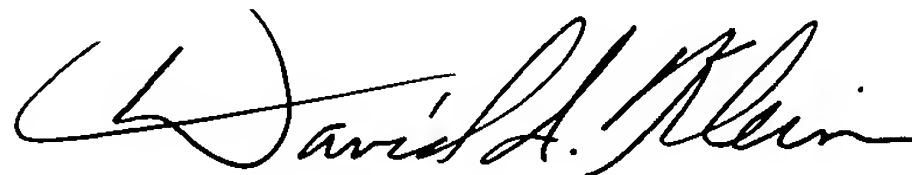

By this Amendment, Applicants have provided notice in the Specification that the present invention was made with support of the government under Grant No. DMR9876232. Therefore, the government has certain rights in the invention and the notice thereof has now been added to the Specification.

As this Amendment deals with formal matters, and does not affect the substance of the invention, no new matter has been added by this Amendment.

It is now believed that the subject Patent Application is in condition for substantive examination, and such action is respectfully requested.

Respectfully submitted,
